1. Digital Literacy: Computer Labs at Schools and Colleges

As a part of the Digital Literacy, we've been working for the last decade, focusing on the underprivileged section in setting up Computer labs and extending computer education at government and aided schools and colleges.

Proud Moments:

1. New Computer lab was set up at **Dharmasagara High School, Dommasandra, Anekal taluk, Bangalore**. School offers 8th to 10th with a strength of 647 students.

With the support from CSR wing of **Concentrix Pvt Ltd**. Computer lab was set up with 30 seating capacity.

Activity Report
April 2023 - March 2024

SANMITRA TRUST

- Digital literacy classes continued at **Renuka High School** catering to **285** students, SVP High School with a strength of 400 students, Govt PU College with 80 students, and SVP Degree College with a strength of 150 students.

Thanks to our Donors and our Digital Literacy Teachers Mamatha covering Renuka High School and Govt PU College, Sindhu covering SVP High School and SVP First Grade Degree College and Ramachandra teaching at Dharmasagara High School.

Digital Literacy Annual Contest:

From Clicks to Creations, Empowering girls one pixel at a time

Another year, another whirlwind of inspiration and innovation at our Annual Computer Contest! With 5 schools, 565 shining stars, 70 champs, 75 Runners Up, and 5 super kids, we're keeping those timeless heartbeats synced in joy! 🎉

From the first click to their first PPT masterpiece, witnessing our girls dive into the digital world is pure magic! ✨ What began as a dream in 2011, setting up our first Computer Lab at Renuka High School, has now empowered over 20K students with essential digital literacy skills. 🌐 💻

PPTs aren't just slides, they're passports to boundless creativity and confidence! Once our kids catch the tech bug, there's no stopping them from dreaming big and spreading their wings! Our contest isn't just about learning computers; it's about mastering English, boosting confidence, and unleashing their inner brilliance! 🙌 🌈

With topics like Digital India, Global Warming, and beyond, our girls become researchers, artists, and trailblazers! Their presentations often leave us in awe, showcasing talents we never knew they had. From hesitant beginnings to proud showcases, we cherish every moment of their growth journey! 🌱 🔄

Our sincere thanks to **Mr. Vinay Karamcheti** for sponsoring Snacks for the event.

2. Scholarships for Girls – Supporting Higher Education

Bytes from MyLittleBit: Christmas spirit isn't just about jingles; it's about spreading joy and empowerment! Govt First Grade College, Domlur, our Annual Scholarship event was a jumpstart of dreams taking flight! We were delighted to provide scholarships to 30 bright girls ready to conquer their higher education in BA, BCom, BSc, and BCA.

Huge thanks to the amazing support from Ranka Heights during our 9th Charity Run- this turned dreams into reality. A big shoutout to everyone whose generosity fueled this cause!

The journey for us is beyond the scholarships. It's about fostering dreams, breaking stereotypes, and kindling the young minds. Our mission at MyLittleBit is simple: to guide, mentor, and uplift them toward their North Star.

And the success stories? From entering IT giants, joining start-ups, serving in Govt. jobs- these girls are rewriting the script! As the saying goes, educate a girl, and you transform a generation. These girls are surely a living proof!

3. Special Classes for Subjects:

Maths and Science are the subjects that every person finds it difficult to study, but we all know that bit of focus makes it easy to understand and one can score better with more practice.

An initiative started in the academic year 2016-2017 at **Renuka High School, Kaikondarahalli, Bangalore**, a government undertaken school. The activity aims at providing special classes for a small group of 8 to 10 girls, who are good in their academics, and are keen towards pursuing their education in Science stream. These girls come from an economically weaker section and cannot afford to take special tuitions either at private tutorials nor home tuitions.

We identified the teaching faculty from the same institution to ensure there is no change in approach to the studies for the selected students. The classes are handled 1 hour 30 minutes in the morning and evening, typically before and after school hours, by ensuring the students are attending their regular classes as well. Parents of the selected students are counselled in seeking support at home so that the girls are allowed for their extra classes and efforts.

We appreciate the School Principal and Teaching Faculty for their continued effort in making the students reach their highest potential.

4. Uniform Drive:

Looking back to our humble beginnings in 2016, with just one school participating, it's truly heart-warming how far we've come, growing stronger each year with the enthusiastic participation of many more schools towards this wonderful cause.

Our outreach efforts are in full swing, and the donations have started reaching many students across remote schools. Their priceless smiles are worth seeing! The pure thrill of getting to wear a school uniform, shoes, and jackets makes a world of difference to these kids, and their happiness brings so much joy to us too.

Thrilled to announce that our Annual Uniform Donation Drive is underway! We've collected uniforms from an amazing schools like NPS Koramangala, Indiranagar, EuroSchool White field and Yelahanka, North campus, Deen's Academy, Foundation School, Shishu Gruha, Kumarans Mallasandra and Tata Silk Form.

We also received donations from apartments like Divyashree Elan Homes, Ranka heghts, Geenwood regency, Prestige Shantiniketan.

We now have student volunteers at the schools as our "Happiness Agents" here in Bangalore, powering these collection drives to spread joy and cheer to their friends in different parts of rural Karnataka. It's heartening to see how despite being separated by miles, they work together to bridge the gap, one uniform at a time.

The uniforms and shoes will be distributed through **RK Foundation**, a renowned organization for charitable action for clothes donation "**VASTHRVITHARANE**" to schools in and around Bangalore and interior rural areas of Karnataka. Uniforms and Shoes are distributed to GLPS Horabyrohalli, Yelachaguppe, Chikkelluru, Ganakallu, Lakshmipura, Kurubarahalli, Sonnenahalli, Marenahalli, Jogerahalli, Ketohalli, Byachakuppe, Polohalli, Magadi, Shivamogga, GHPS Thippagondanahalli, Ramasandra, Chandrappa circle, Anganavadi, Hudgi grama, Honnavara Taluk, Bidar Jille and many more.

5. Science expo 2024: National Science Day :

Greetings for a wonderful New Year 2024!

Our initiative under Internship opportunity "Improve Problem solving and critical thinking skills through MATH WIZ, Arnab Asok raised around Rs 2Lakhs to create the spirit of curiosity for children towards Maths as a way to pursue career in STEM in future.

As we understand, a practical way of teaching Science is always long lasting and simplifies the learning process. As a first step, we are pleased to announce that we donated Scientific Equipment to **10 Government school science labs**, so that the children can experiment and learn better. The lab equipment were procured based on the request list from the school.

As a next step, we also conducted contests in schools for students to showcase their experiments in science as a run up to the **National Science Day** on Feb 28th, 2024. On the National Science Day, we had our grand celebration to award the winners of the contest. The Science Teachers from all the 10 schools were there and the top experiments from the school were on display. The judges went around and it was heartening to see Smart Attendance System, Wifi enabled Robot, Chandrayaan 3, Solar System, Surya-yaan, Waste Segregation, Eco Environment, Rain water Harvesting, Solar Energy Traffic Control, Energy Saving Concepts, Human brain, Cell Study, few to mention.

It was indeed a privilege that we could donate lab equipment to the following schools and we extend our heartfelt thanks to Science teachers and respective Head Maters' in preparing the students to participate in the Science Expo 2023 and making the event a grand success.

Special thanks to Science Teacher Rajanikanth for coordinating in selection of the listed schools, getting the required list for the science lab at each school and also during the procurement. We extend our thanks to the Science teacher Gajanan Nayak and staff of Vishweshwaraya school for supporting us in providing the venue and coordinating the event in their school premises.

59 Science models were presented and more than 120 students participated from 10 schools. Student **Laksmi and her team from KPS High School, Varthur, Bangalore won the Best Model award for their incredible presentation and innovative Smart Attendance System**. Each school won 1st and 2nd place for their model presentation and all the students received their participating certificates with their goodies. Congratulations to all the students and good wishes to them for their creative thinking and presentation.

Last but not least, our sincere thanks to **Mr. Vinay Karamcheti** for sponsoring Snacks for the event.

6. Dreams Unlimited - Girls in the Workforce:

'Dreams Unlimited' initiative, with a simple mission to get underprivileged girls into jobs. Sincere gratitude to our CSR Partner, Saksen Technologies Limited for their belief in the cause.

In collaboration with JV Global, MyLittleBit Foundation initiated a transformative Integrated Skill Development Program (ISDP) woven into the academic curriculum of the college. Empowering students pursuing BCom, BBA, BA, and guiding our final-year scholars toward promising job placements.

Target Audience:

Dreams Unlimited - Integrated Skill Development Program

As the aspiring students were going to complete their graduation in a few months, the curriculum was tailor made to ensure the students are made industry ready and get placed in their aspiring jobs

Beneficiaries of the Program are the Final year students of

- NMKRV College for Women – Jayanagar – 709 Students
- Govt First Grade College – Malleshwaram – 477 Students
- Govt First Grade College – Ramanarayana Chellaram – 912 Students

Total of 2098 students recieved 50 hours (30 hours of Aptitude skill + 20 hours of Domain skill) of training during this academic year 2023-2024

Trainee's Feedback:

Students have mentioned that they got lot of knowledge about placement and they cleared doubts which they were not aware of it earlier.

The students mentioned that the Training sessions-built confidence within them.

They mentioned that the topics covered were relevant and useful and trainers were knowledgeable about the subject.

They were happy to learn short cut methodologies to solve the problem in easy way.

Training organized by the college was very useful.

Few students have expressed that they got opportunity to overcome stage fear.

Concluding Remarks:

The students were good, interested, attentive and disciplined. It was observed that most of the students are dedicated and showed willingness to learn.

The training was very good. The students were very disciplined and punctual. They were interested in learning New things. They grasped the shortcuts taught.

The students were very interactive in all the session, they are good in reasoning topic but need to work on quantitative aptitude and Communication skills. Overall, the training was very good and happy to be a part of it.

College Management pleased & thankful to Sanmitra Foundation for providing training to their students
